Dear Tournament Director –

Beginning with the 2013-2014 seasonal year, Kentucky Youth Soccer made a change to our player and coach's passes and we wanted to make sure you are made aware. No longer are properly registered Kentucky Youth Soccer players and coaches required to have the back of the pass stamped with a Kentucky Youth Soccer Stamp. The new player and coach's pass should have an "Approved for Competition" stamp on the front side of the pass and should look like the image below:

If you have any questions, please do not hesitate to contact our office.

Sincerely,

Kris Zander
Executive Director
