

The United States Adult Soccer Association Region II Cups Finals took place June 18 – 20 at Gaelic Park in Oak Forest, Illinois just outside Chicago. Kentucky sent two teams, the Kentucky Wanderers in the Women’s Open and Louisville Soccer Alliance in the Men’s Under 23’s.

Kentucky Wanderers were crowned Region II Champions after defeating Croatian Eagles from Wisconsin 2-1 in the final game. Goals from Kelsey Breathitt and Kayla Steber secured victory which saw the team earn a well deserved victory. Throughout the weekend the team went 3-1 with the other two wins coming against the teams representing Illinois (4-0) and Michigan (4-1). The one defeat the team suffered was against JB Marine from Missouri (2-1) but the ladies picked themselves back up to win the final game.

Almost all of the players have also represented the Kentucky Youth Soccer through the Olympic Development Program and now play for colleges throughout the United States.

The team, which is coached by Adrian Parrish and managed by Tim Burton, will now represent Region II at the Women’s National Cup next month. Each year, some 250 teams across the United States participate in the National Cups Competition and the Wanderers will travel to Feasterville, PA at the end of July to hopefully become the first female team to bring home a National Championship for Kentucky.

“Kentucky Soccer Association is very proud to be represented by Kentucky Wanderers. We wish them luck” from Peggy Polley, President of Kentucky Soccer Association.

Louisville Soccer Alliance unfortunately was defeated 1-0 in their semi final game.

Good Luck to the Wanderers, squad below.

<b>Player</b>	<b>College</b>	<b>Hometown</b>
