

Annie Dunbar - TOPSoccer Buddy

- Became involved in Lexington Youth Soccer TOPSoccer program in 2009. As the program started, she began serving as a buddy to individual players at the weekly practices.
- Annie's positive attitude and enthusiasm motivates others around her to work hard and have fun while helping one another. She has helped facilitate and improves the social skills, self esteem and soccer skills of the athletes.
- Over the last two years, she has become involved in the TOPSoccer Advisory Committee where she conducted presentations about TOPSoccer to high school clubs and sports teams.
- As she begins the next phase of her life by attending the University of Kentucky, Annie plans to stay involved in TOPSoccer and hopefully recruit some more volunteers.
