---

- Has been involved with Spencer County Sports Association since its inception in 1997 and currently serves as President, referee assignor and coach.
- Mike looks forward to the soccer “off-season” where he can focus on league registration, field preparation and developing coaching sessions for the next season.
- During the season, Mike spends just about every night at the fields either acting as a coach, mentoring new coaches to the game, striping fields or acting as a referee for any no shows.
- Coached a U-10 girls and U12 mixed team to the finals of the 2010 Kohl’s American Cup.
- His main reason for being involved in soccer is to make a difference in the life of each and every child he comes in contact with.
