

Vickie Varner- Parent

- Team Mom for the Bluegrass SC 94 girls team – she is the glue that keeps the team together. She is the team trainer, travel and team coordinator, and a study hall director.
- Organizes weekly team dinners and social functions so the players and families can have fun outside of the weekly grind of practices and games.
- She picks up several team members up after school on practice days and makes sure they are properly fed and all school work is finished before they head to practice.
- Volunteer Team Administrator for the Woodford County girls high school team
- The girls on both teams know that can go to her for anything at any time – whether its advice or just to unload their problems. She truly cares for the future of each girl.
