Seeding

- A. Kentucky Youth Soccer reserves the right to seed teams in each age group. At least the top four (4) teams may be seeded in each age group. The tournament committee reserves the right to use the prior Eurosport Cup/ Open Cup results, league results, tournament results, or any other information to determine seeding. All other non-seeded teams will be randomly assigned to a group using a blind draw.
- B. In order to qualify for a seeded position in State Open Cup competition, a team must essentially be the same team that played in Cup Competition the previous year. The criteria for determining if a team is to be considered a "returning" team is as follows:
 - At the time of the registration deadline, at least fifty percent (50%) of the team's players return from the previous year's Cup Team Roster.
 - The team is rostered and the players are registered with the same member association as they were the previous seasonal year.

SCORING METHOD

The standing of teams in age groups within brackets is based upon the number of points earned in qualifying games.

- A. Teams earn points as follows:
 1. Three (3) points for a win (including forfeits)
 2. One (1) point for a tie
 3. Zero (0) points for a loss
- B. If teams have played a different number of games, an adjustment will be made to correct for the number of games played. *For example,*
 1. *If one team played four games and another team played three games, all numbers for the team that played four games would be multiplied by 75% and then compared to the actual numbers for the team that played three games.*
 2. *Team with three games has 7 points; team with four games has 10 points.*
 3. *Four game team's 10 points are multiplied by 75% to determine weighted points (10 x .75 = 7.5 points).*
 4. *Team with four games would advance with weighted points of 7.5 being higher than unweighted points of 7 for team with three games.*

TIED GAMES

- A. In group play matches tied after regulation time shall remain tied.
- B. If a game is tied at the end of regulation play and overtime periods are to be played to determine a winner, (2) complete overtime periods will be played after the end of regulation play. If the game is still tied after the end of the 2 overtime periods, FIFA "Kicks from the Penalty Mark" rules will apply in order to determine the winner.
- C. Overtime Periods shall be as defined in the "State Open Cup Modifications to the FIFA Laws of the Game" section of these rules.

GROUP/BRACKET WINNER AND WILD CARD TIE BREAKERS

- A. The winner of group and bracket competition and the awarding of wild cards shall be determined as follows:
 1. Teams with most points.
 2. Winner of head to head competition (this criteria not used if more than two teams tied).
 3. Goal spread (goals scored minus goals against) with a maximum of four goals per game.
 4. Fewest goals allowed.
 5. Most "Shutout" victories.
 6. Winner of most "Group Games."
 7. Kicks from the penalty mark as set forth in the FIFA "Laws of the Game" under "Instructions Regarding The Taking of Kicks from the Penalty-Mark".
- B. Should more than two teams be tied at the end of the preliminary round, the above list of tiebreakers will be used in sequential order until one team is determined to be the winner. The tie-breaking procedure does not revert back to previous tie-breaking criteria after one team has been eliminated. The remaining teams will then restart the sequence at number three (3) above until the tie is broken.

- C. If 3 teams are still tied after all tie breakers have been applied, the three team names will be placed in a hat. The first team drawn out will receive a bye for the first round of penalty kicks. Teams 2 and 3 will play penalty kicks. The winner of Penalty kicks between teams 2 and 3 will play team 1 to see who will advance.
- D. In groups having five or fewer teams, should two teams be tied after all criteria are applied, a championship game will determine the winner.

4. National Championships (State Cup/Midwest Region), Presidents Cup,

and Eurosport Cup:

Please refer to the US Youth Soccer National Championship Policies (Rule 225, Section 3), Kentucky Youth Soccer State Cup and Presidents Cup Policies (Team/Player Breach of rules/conduct Pg 5-6), and Eurosport Cup Policies (Team/Player Breach of rules/conduct Pg 5-6) regarding suspensions in those competitions.

5. **American/ Commonwealth Cup:** Suspensions issued during the Kohl's American Cup or Commonwealth Cup must be served during the remainder of competition. If no competition remains, suspension must be served during next scheduled league and/or tournament game(s) whichever comes first
6. **Guest Player:** Red card suspensions received as a "guest player" must be served with the guest team if there are games remaining in the competition in which the red card was issued. If a red card is received in the last game of a competition as a guest player, the player must serve the suspension in their next immediate game no matter the competition. If a red card is received in the final game of a player's season, suspensions received as a guest player may carry forward to the player's primary team during the next seasonal year the player is registered.
7. **Serving Suspensions:** Any coaches or players who receive a Red Card and fail to serve their suspension are subject to a longer suspension and may be placed in bad standing as a member of the Kentucky Youth Soccer Association.
